Off Work

Thurston Moore

wind up
light up
turn it down
hank out
rain out
and turn it around
get up
shut up
shut it down
hang up
hank out
feel around
roll it
pump it
and pull it down
burn up
shut up
stick it out
yr up
hang up
take it off
hank out
hey now
it's not enuff
(faintly audiable:) hoo, alright
