

# Off Work

Thurston Moore

wind up  
light up  
turn it down  
hank out  
rain out  
and turn it around  
get up  
shut up  
shut it down  
hang up  
hank out  
feel around  
roll it  
pump it  
and pull it down  
burn up  
shut up  
stick it out  
yr up  
hang up  
take it off  
hank out  
hey now  
it's not enuff  
(faintly audible:) hoo, alright
