

Swallowing Flies

Big Sixes

I'm swallowing flies,
And lullabies,
Won't you listen? I'm severing ties,
And polishing lies,
'till they glisten. What do you take me for?
A pawn or a king?
A future or present?
What do you keep me for?
All manner of things 'till I learn my lesson.
'Till I learn. Our paths are entwined,
So laugh in disguise,
Go the distance. I'm far from unkind,
So darling of mine,
Won't you listen? What do you take me for?
A pawn or a king?
A future or present?
What do you keep me for?
All manner of things 'till I learn my lesson.
'Till I learn. If you and I settle our differences,
I think you'll find a way to come back to me.
If you and I settle our differences,
I think you'll find a way to come back to me.
A way to come back to me.
A way to come back to me. What do you take me for?
A pawn or a king?
A future or present?
What do you keep me for?
All manner of things 'till I learn my lesson. What do you take me for?
A pawn or a king?
A future or present?
What do you keep me for?
All manner of things 'till I learn my lesson.
'Till I learn. I'm swallowing flies,
And lullabies,
Won't you listen? I'm severing ties,
And polishing lies,
'till they glisten.
