Fallin' & Flyin'

Colin Farrell & Jeff Bridges

I was going where I shouldn't go
Seeing who I shouldn't see
Doing what I shouldn't do
And being who I shouldn't beA little voice told me it's all wrong
Another voice told me it's alright
And you could think that I was strong
But lately I just lost the fightFunny how falling feels like flying, for a little while
Funny how falling feels like flying, for a little whileI got tired of being good
Started missing that old feeling free
Stopped acting like I thought I should
Went on back to being meI never meant to hurt no one
I just had to have my way
If there's such a thing as too much fun
This must be the price to payFunny how falling feels like flying, for a little while
Funny how falling feels like flying, for a little whileNever see it coming till it's gone
It all happens for a reason even when it's wrong
Especially when it's wrongFunny how falling feels like flying, for a little while
Funny how falling feels like flying, for a little whileI was going where I shouldn't go
Seeing who I shouldn't see
Doing what I shouldn't do
And being who I shouldn't be
