Lost In This Moment

Keith Anderson

I see your momma and the candles and the tears and roses
I see your daddy walk his daughter down the isle
I feel my knees start to tremble as I tell the preacher
Don?t she look beautiful tonight
All the wonderful words in my head I?ve been thinking
You know I wanna say ?em all just right
I lift your veil and angels start singing
Such a heavenly sign, yeah
Lost in this moment with you
I am completely consumed
My feeling's so absolute
There?s no doubt
Sealing our love with a kiss
Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you
I smell the jasmine floating through the air like a love song
Watch my words draw sweet tears from your eyes
Bow our heads as the preacher talks to Jesus
Please bless this brand new life, yeah
Lost in this moment with you
I am completely consumed
My feeling's so absolute
There?s no doubt
Sealing our love with a kiss
Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you, yeah
Lost in this moment with you
I am completely consumed
My feeling's so absolute
There?s no doubt
Sealing our love with a kiss
Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you
Lost in this moment with you
I am completely consumed
My feeling's so absolute

There?s no doubt
Lost in this moment with you
I am completely consumed
My feeling's so absolute
Lost in this moment with you
Lost in this moment with you
I am completely consumed
My feeling's so absolute
Lost in this moment with you
Lost in this moment with you
I am completely consumed
My feeling's so absolute
Lost in this moment with you
