

# Cuando Estoy Contigo

Luis Miguel del Amargue

When I am with you...  
I don't know what is more beautiful  
if the color of the sky or the one of your hair.  
I don't know any sadness, everything is happiness.  
All I know is that YOU are my life.

When I am with you...  
I don't know if in the breeze  
there is a better sound than  
in your joyful laughter.  
If you put your hands near mine,  
I doubt there will be cold mornings.

When I am with you... there is no failure.  
everything I want I find in your arms,  
When I am with you... I am filled with pride.  
I'd like you to shut that I am only yours

When I am with you...  
I don't know what's more gentle,  
your fragile figure or a bird that winters

When I am with you...  
I exchange the any glory  
for the immense bliss of being in your history
