Write It In Lightning

[Odds](#)

Fat beat like an ax
Coming down on the melody
Time to give into, Better living through chemistry.8 foot letters, I can't read the writing
So if you want me to see,you better write it in Lightning
you better write it in Lightning
you better write it in Lightning
you better write it in LightningTake a swing at me now
Tear a strip off me anytimeIt don't even matter if the punishment fits the crimeI stick my hands in between
two dobermans fighting
so if you want me to see, you better write it in lightning.you better write it in Lightning
you better write it in Lightning
you better write it in
Lightning
Lightning
Lightning
Lightning....
Make it all blow up,
My difference is frighteningSew, if
You want me to see..
You better write it in...
...
