

Every Day (feat. Shon Doe)

Skeme

We had to get money
Fuck hoes
Baby that be all a nigga knows
Get that bitch the gang
Baby this is all a nigga knows
Nigga we don't get the money every day
Nigga we don't get the money every day
Nigga we don't get the money every day Say you want the money come and holla at me
I'm the type of nigga throw a dollar at ya
You know I don't be funny with that money baby
Big face Rollie, and them big hundreds baby
All these niggaz with me
Then I tell the bitch I love it when we fuckin'
Never said I like it what she talkin'
You know the niggaz talk about the ballers
We had to get money
Fuck hoes
Baby that be all a nigga knows
Get that bitch the gang
Baby this is all a nigga knows
Nigga we don't get the money every day
Nigga we don't get the money every day
Nigga we don't get the money every day So you need the pussy lick
I'll call another bitch
I'm the nigga with the rich tip
Yeah I'm with the game shit
I want you to get to me
On top of a thousand
My nigga tryin' to see if you're really about it
Money on the bitches every time
We had to get money
Fuck hoes
Baby that be all a nigga knows
Get that bitch the gang
Baby this is all a nigga knows
Nigga we don't get the money every day
Nigga we don't get the money every day
Nigga we don't get the money every day Stackin' stacks, makin' plays
It's like every day

You bitch choosin'
Mister OG with the wax so hot
He thinks I'm coolie
I fill the clubbie
Poppin' bottles ____ We had to get money
Fuck hoes
Baby that be all a nigga knows
Get that bitch the gang
Baby this is all a nigga knows
Nigga we don't get the money every day
Nigga we don't get the money every day
Nigga we don't get the money every day
