I've Been Mistreated

The Aislers Set

You must think by now that I'm obsessed with you.
Friends they say that you don't think the way I do.
I was so mistreated by the way you moved.
I'd ask you just what you thought too,
but if I stand that close to you... Oh.
I don't want to be the girl that's driving you home.
Just to see you in and turn and go back alone.
I don't think it's fair. Just say you don't care.
And I'll take you there and go nowhere.
I've built it up too big. I'm dreaming nervously.
(thought you were so hip to dance with him)
Just a kiss or two just out of sympathy.
(thought you were so hip to dance with him)
I was so mistreated when you danced with me.
I'd ask you just what you thought too,
but if I stand that close to you... oh.
I don't want to be the girl that's driving you home.
Just to see you in and turn and go back alone.
I don't think it's fair. Just say you don't care.
And I'll take you there and go nowhere.
