Run Home

Priestess

I fell for the company girl
And it leaves me in charge
She dont pay what the salary will
And no company car
And it hurts when it pounds along with this heartbeat.
Well its taking its toll, but it wont for very longIll run home, Im goneBack to the factory wheel
Believe me Im in charge
I fell back on a factory girl
But they take me apart
And it hurts when they pound along with this heartbeat.
And if I leave it this way, then it wont be there at allIm back to the factory wheel
And it keeps me coming home
It takes me apart
And it hurts when it pounds with this heart, so
Ill run home, Im gone
