

# Homewrecker

Gretchen Wilson

Well, you're a real hot cookie with your new hairdo  
Your high heel boots and your credit card  
Long legs and a mini skirt  
Yeah, you know what works and you work it hard  
You smile like such a lady, innocent and sweet  
You drive the men folk crazy, but any girl can see, you're just a  
Homewrecker I know what you're doin'  
You think you're gonna ruin what I got, but you're not  
Yeah, you little go-getter I'll teach you a lesson  
If you get into messin' with my man you don't stand a chance  
No, you're just a homewrecker  
I'm sure you waited for a long, long time  
To find a man like mine but honey you're too late  
So before you go and make your move  
Maybe me and you should get a few things straight

There's two ways we can do this, I'll let you decide  
You can take it somewhere else or we can take it outside, you little  
Homewrecker I know what you're doin'  
You think you're gonna ruin what I got, but you're not  
Yeah, you little go-getter I'll teach you a lesson  
If you get into messin' with my man you don't stand a chance  
No, you're just a homewrecker  
Now Honey, I'm a Christian, but if you keep it up  
I'm gonna go onto kickin' your pretty little butt  
Is that clear enough? Yeah, you little  
Homewrecker I'll teach you a lesson  
If you get into messin' with my man you don't stand a chance  
No, you're just a homewrecker  
Yeah, you're just a homewrecker, homewrecker
