Ibo Lele (Dreams Come True)

Ram

Hey!
Hey Hey!I could say anything at all
You will have me where you want
Our lines are down, down, downYou could say anything at all
And all the time I get what you want
I won't take a line downHow much time is that going to take?
How long will I have to wait?
Hoping that it's not too late
To dreams come trueIbo lele my oh my ibo lele
The dreams come true
Ibo lele my oh my ibo lele
Dreams...
Ibo lele my oh my ibo lele
Dreams come true
Ibo lele my oh my ibo leleIbo lele-o, Ibo lele
Ibo lele-o, Ibo leleI don't wanna sound like I'm not involved
Only because of this ugly scene
I know what to singNever thought you fight it down to the wire
Probably thinking: "Why he's treating me so mean?"
Aha-AhaHow much time is it going to take?
How long will I have to wait?
I'm hoping that it's not too late
To dreams come trueIbo lele my oh my ibo lele
The dreams come true
Ibo lele my oh my ibo lele
Dreams...
Ibo lele my oh my ibo lele
Dreams come true
Ibo lele my oh my ibo leleHow much time is it going to take?
How long will I have to wait?
I'm hoping that it's not too late
To dreams come trueIbo lele my oh my ibo lele
The dreams come true
Ibo lele my oh my ibo lele
Dreams come true
Ibo lele my oh my ibo lele
The dreams come true
Ibo lele my oh my ibo leleIbo lele-o, Ibo lele
Ibo lele-o, Ibo lele
