

# Cry

Anna Calvi

You know why I lie  
Is it so cruel to see you cry  
Cry Hell and heaven quakes  
Where you, where you hide  
It makes you cry  
Cry  
I'm always on the run and I hate copy paste for god's sake  
All the sounds combine  
All the notes will align  
When you cry  
Cry  
Copy paste is a sin, always on the run is better  
Oh I'll wait  
Show me where it hurts  
Deeper, deeper in  
You sing so high  
When you cry  
Cry  
Sweet is the song  
It's the sound that I hold  
When I see in your eyes  
That it's wrong  
But if you love me won't you cry Cry, cry  
Cry, cry
