

Stay

Blue Merle

I got a picture of you
And some letters I carry 'round
It's the way that I get you
To stay with me Nothing's forever
Nothing is ever gone
We ain't together
But you stay with me Stay with me
Stay with me I'm a wandering fool
On a wide and a crooked road
But you found a way
To stay with me My love
Won't you stay with me
'Cause my heart
How it breaks when you leave I got a picture of you
And some letters I carry 'round
It's the way that I get you
To stay with me Stay with me
Stay with me Stay with me
Stay with me
