Overthrown

Club Drive

Tell me you feel those prying eyes
Bearing their weight with dark intention
You wear a smile tonight
But itâ€™s different

Reading your way between the lines
Lead me not into temptation
You throw the warning signs
But itâ€™s difficult

Who do you think that youâ€™re running from?
Whoâ€™ll make it stop?

If you go Iâ€™ll go
When you know Iâ€™ll go
Is it all our fault?
Is it over?
If you leave Iâ€™ll be
Where youâ€™ll be Iâ€™ll be
Ainâ€™t it true? I see
That itâ€™s overthrown

Realise its reality
Loosing yourself in hiding places
Cling onto fantasy
But it never comes

Who do you think that youâ€™re running from?
Whoâ€™ll make it stop?

If you go Iâ€™ll go
When you know Iâ€™ll go
Is it all our fault?
Is it over?
If you leave Iâ€™ll be
Where youâ€™ll be Iâ€™ll be
Ainâ€™t it true? I see
That itâ€™s overthrown

What are you hiding from?

Bring me those hands and mine to hold
What are you waiting for?
Go

What are you fighting for?
Never knew love could be so cold
Am I your show?
Yeah

If you go Iâ€™ll go
When you know Iâ€™ll go
Is it all our fault?
Is it over?
If you leave Iâ€™ll be
Where youâ€™ll be Iâ€™ll be
Ainâ€™t it true? I see
That itâ€™s overthrown
