

# Miles Apart

## Stretch Arm Strong

Dig deep inside my mind I know I can't forget you.  
Reality and rawness I find, I know this is truth.  
Stripped of all my pretense I feel so lost and naked.  
With your tenderness for love I can make it.  
Confusion, fear consume my thoughts the things I say and do.  
It's all so difficult because I'm not with you.  
I know that (I'm not growing) ,  
But sometimes I slip and now I'm slowing down.  
Please help me and please show me,  
So I can stop slipping and slowing down.  
Here we are sitting miles apart.  
We turn the page.  
Afraid to start.
