Interpol

Touch your thighs, I'm the lonely one
Remember that last swipe 'cause that was the right one
Oh, all your mysteries are moving in the sun
And show some love and respect
Wanna get some love and respectBaby you can see that the gazing eye won't lie
Don't give up your lover tonight
'Cause it's just you, me and this wire, alright
Let's tend to the engine tonightShe found a lonely sound
She keeps on waiting for time out there
Oh love, can you love me babe?
Love, is this loving babe?
Is time turning around?Feast your eyes, I'm the only one
Control me, console me
'Cause that's just how it should be done
Oh, your history's like fire from a busted gun
I show some love and respect
Don't wanna get a life of regretBut Baby, you can see that the gazing eye won't lie
Don't give up your lover tonightShe found a lonely sound
She keeps on waiting for time out there
Oh love, can you love me babe?
Love, is this loving babe?
Is time turning around?He slips into the bedroom
And you know he misses alright
Old names, we'll make some
Will sustain us through the night
Inside my bedroom, baby
Touch me, oh tonight
Poses, we'll make some
We'll reveal our sense of rightYou should be in my space
You should be in my life
You should be in my space
You should be in my life
You could be in my space
