

Who's Gonna Stand Up? (Live with Crazy Horse)

Neil Young

Protect the wild
Tomorrow's child
Protect the land
From the greed of man Take down the dams
Stand up to oil
Protect the plants
And renew the soil Who's gonna stand up and save the earth?
Who's gonna say that she's had enough?
Who's gonna take on the big machine?
Who's gonna stand up and save the earth? This all starts with you and me! Damn the dams
Save the rivers
Starve the takers
And feed the givers Build a dream
Save the world
We're the people
Known as Earth Who's gonna stand up and save the earth?
Who's gonna say that she's had enough?
Who's gonna take on the big machine?
Who's gonna stand up and save the earth? This all starts with you and me! Ban fossile fuel
Draw the line
Before we build
One more pipeline Ban fracking now
Save the waters
And build a life
For our sons and daughters Who's gonna stand up and save the earth?
Who's gonna say that she's had enough?
Who's gonna take on the big machine?
Who's gonna stand up and save the earth? This all starts with you and me! Who's gonna stand up
Who's gonna stand up
Who's gonna stand up
Who's gonna stand up Who's gonna stand up
