

# All Out of Love

**Brooks & Dunn**

Are you gonna call it quits  
Cause girl from where I sit  
All the signs I read  
Say you're over me  
My world stopped  
And time stands still  
Until I know  
I know how you feel  
Are you all out of love The story in your eyes  
Tells me the well's run dry  
Am I a fool for holdin' on  
For prayin' this feeling's wrong  
If what I fear  
Is really true  
Then girl  
I want to hear it from you  
Are you all out of love  
Are you all out of love Is this the end of the line  
Is this as far as we go  
Or can I somehow change your mind  
Or will your heart be forever closed Are you all out of love
