

# A Lesson In Violence (Live At Wacken 2008)

## Exodus

If you got something to say, then come my way  
I'm guarded by Satan, I'm riding on Baphomet  
I'll teach you a lesson in violence you won't soon forget  
The pleasure of watching you die is what I will get  
Fight for what you believe to be right  
Crushing with all your might  
I laugh at their pitiful cries  
They run from the fire in my eyes  
Nothing can save them now  
You've learned a lesson in violence  
Get on your knees and bow  
Or learn a lesson in violence  
I love to stab my victims until they're dead  
A knife to the throat or a smashing blow to the head  
I'm judge and jury, my sentence has just been passed  
Step into the circle of hell if you think you can last  
Fight for what you believe to be right  
Crushing with all your might  
I laugh at their pitiful cries  
They run from the fire in my eyes  
Nothing can save them now  
You've learned a lesson in violence  
Get on your knees and bow  
Or learn a lesson in violence
