My Blue Eyed Jane

Hank Snow

Now the sweetest girl in all the world is my blue eyed Jane
We fell in love like turtle doves while the moon was shining down
I asked her then I asked her when the wedding bells would ring
She said oh dear it seems so clear and this could happen hereYou're my little pal and I never knew a sweeter gal
My little ol' blue eyed Jane I love you so
And when the sun goes down and the shadow's creeping over town
Just meet me in the lane my blue eyed Jane
[steel - fiddle]
Now Jannie dear listen here I've come to say farewell
Now the world is drear without you dear but now I cannot linger here
I'm going no way this very day oh please come go with me
I'll be sad and blue I'm wanting you and longing all day throughYou're my blue eyed Jane you'll always be the same sweet thing
I know you'll never change I love you so
And when the sun goes down and the shadow's creeping over town
Then I'll come back again my blue eyed Jane
