Nobody Else

Avid Dancer

Counting on the days
We been together
Hold you forever
I want nobody else

Counting all the ways
We love eachother
I want no other.
I want nobody else

I want no other.
I want no other.
I want no other.
I want nobody else.

I want no other
I want no other
I want no other.
I want nobody else.

oooooooooooooooOOoooooooo
ooooooooooooooooooooooooooo
oooooooOooooooooooooooo
ooooooooooooooooooooo
ooooooooooooooooooooooo
oooooooo
ooooooooooooOOOOOOOO

I want no other.
I want no other.
I want no other.
I want Nobody Else....

I want no other
I want no other
I want no other
I want nobody else.
