

# The World Is Mine (F\*\*\* Me I'm Famous Mix)

**David Guetta & JD Davis**

I believe in the wonder  
I believe this new life do can  
Like a God that I'm under  
There's a drugs running through my veinsI believe in the wonder  
I believe I can touch the flame  
There's a spell that I'm under  
Got to fly, I don't feel no shameThe world is mine  
The world is mine  
The world is mineI've lost my fear to war and peace  
I don't mind that (the world is mine)  
You took the price and realize  
That to your eyes (the world is mine)  
Take a look what you've started  
In the world flashing from your eyes  
And you know that you've got it  
From the thunder you feel insideI believe in the feeling  
All the pain that you left to die  
Believe in believing  
In the life that you give to tryThe world is mine  
The world is mine  
The world is mineI've lost my fear to war and peace  
I don't mind that (the world is mine)  
You took the price and realize  
That to your eyes (the world is mine)  
The world is mine  
I've lost my fear to war and peace  
I don't mind that (the world is mine)  
You took the price and realize  
That to your eyes (the world is mine)  
I've lost my fear to war and peace  
I don't mind that (the world is mine)  
You took the price and realize  
That to your eyes (the world is mine)  
I've lost my fear to war and peace  
I don't mind that (the world is mine)  
You took the price and realize  
That to your eyes (the world is mine)
