Ode To Joy

Joe Jackson

Impossible to see
Impossible to show
Impossible to verify
Impossible to knowWhen she'll come or go
There's nothing you can do to make her real
Friends and lovers know
Don't say no
When you feelJoy
Impossible to touch
Impossible to hear
Impossible to prophesy
Impossible to fearIf she comes or goes
It's nothing that you did to make her real
Friends and lovers know
Just don't say no
When you feelJoyWhen she'll come or go
There's nothing you can do to make her real
Friends and lovers know
Don't say no
When you feelJoy
