

Woman From Tokyo

Woman From Tokyo

Fly into the rising sun
Faces, smiling every one
Yeah, she is a whole new tradition
 I feel it in my heart
 My woman from Tokyo
 She makes me see
 My woman from Tokyo
 She's so good to me
 Talk about her like a queen
 Dancing in a eastern dream
 Makes me feel like a river
 My woman from Tokyo
 She makes me see
 My woman from Tokyo
 She's so good to me
 But I'm at home
 And I just don't belong

So far away from the garden we love
She is what moves in the soul of a dove
Soon I will see just how black was my night
 When we're alone in her city of light
 Talk about her like a queen
 Dancing in a eastern dream
 She makes me feel like a river
 My woman from Tokyo
 She makes me see
 My woman from Tokyo
 She's so good to me
 My woman from Tokyo
 She makes me see
 My woman from Tokyo
 She's so good to me
