

Don't Look Down (Strasospheric Mix)

Go West

How much longer 'til the curtain rises?
First night stage fright always hypnotizes
Leading ladies never think about it
Live without it Try to hide your fear of falling
Keep your eyes on me, I'm calling Don't look down girl
You know you're holding aces
Don't look down girl
Don't give the game away One more heartbeat and you walk the wire
Why wait? Ooh, it's too late to put out the fire
Almost strangers, can you stop deceiving
Start believing Try to hide your fear of falling
Keep your eyes on me, I'm calling Don't look down girl
You know you're holding aces
Don't look down girl
Don't give the game away, 'cause baby Oh, even when you feel you can't go on
Laughing at the rain you fool no one
If you don't wanna lose what you have found
Then don't look down Changing partners is just substitution
It's no solution Try to hide your fear of falling
Keep your eyes on me, I'm calling Don't look down girl
You know you're holding aces
Don't look down girl
Don't give the game away Don't look down girl
You know you're holding aces
Don't look down girl
Don't give the game away Don't look down
Don't look down
Don't look down
