

# Daydreamin'

Jessie J

I wish I could stop myself  
You gotta tell me there's nothing there (nothing there)  
I don't want nobody else  
Hoping one day you might care (yea yea yea)Voices saying just hold back  
And erase the heart drawn on your sleeve (your sleeve)  
I won't stop wishin' wishin' for you're my baby  
Ha! Then watch you come to meYou got me daydreamin'  
That's all I got, all I got  
Daydreamin'  
Of what I want, what I want  
Daydreamin'  
That's all I got, all I got  
I don't wanna know, I don't wanna know know  
I don't wanna know, I don't wanna know knowImagination running wild (running wild!)  
And then to realize this ain't real (real real real)  
Please just hit me with the truth (truth)  
It really hurt if it's all I feel (all I feel)Voices saying just hold back  
And erase the heart drawn on your sleeve (your sleeve)  
I won't stop wishin' wishin' for you're my baby  
I want you here with meYou got me daydreamin'  
That's all I got, all I got  
Daydreamin'  
Of what I want, what I want  
Daydreamin'  
That's all I got, all I got  
I don't wanna know, I don't wanna know know  
I don't wanna know, I don't wanna know knowI thought of leaving my heart away, yea  
I'm flirting, I'm flirting  
You'll give me blessing, I'm just here to say  
Oh oh oh!You got me daydreamin'  
That's all I got, all I got  
Daydreamin'  
Of what I want, what I want  
Daydreamin'  
That's all I got, all I got  
I don't wanna know, I don't wanna know know  
I don't wanna know, I don't wanna know knowYou got me daydreamin'  
That's all I got, all I got  
Daydreamin'

Of what I want, what I want  
Daydreamin'  
That's all I got, all I got  
I don't wanna know, I don't wanna know know  
I don't wanna know, I don't wanna know know
