When You Close Your Eyes

Night Ranger

What do you do, when it's fallin' apart?
And you knew it was gone, from the very start
Do you close your eyes and dream about me?
A girl in love, with a gleam in her eye
I was a younger boy, all dressed in white
We're older now, I bet you still think about me
I remember we learned about love
In the back of a Chevrolet
Well, it felt so good to be young
Feels like yesterday
When you close your eyes
Do you dream about me
When you close your eyes
Do you dream about me
Do you still dream about me
I guess I don't know what I'm thinkin'
Comin' off a hard night of drinkin'
Angie come closer to me
I need a soul to bleed on
It could'a been done, in a different kinda way
But that ain't you, you play tough when you play
It's over now, I bet you still think about me
I remember I held you so tight
And we danced the night away
With the moves of two wide eyed kids
I need you so much today
When you close your eyes
Do you dream about me
When you close your eyes
Do you dream about me
When you close your eyes
Do you dream about me
When you close your eyes
Do you dream about me
I remember we learned about love
In the back of a Chevrolet
No good for an old memory
To mean so much today
When you close your eyes

Do you dream about me
When you close your eyes
Do you dream about me
When you close your eyes
Do you dream about me
When you close your eyes
Do you dream about me
When you close your eyes
Do you dream about me
When you go to sleep at night
Do you dream about me
When you close your eyes
Do you dream, dream about me
When you close your big brown eyes
Do you dream about me
