Sean

Foo Fighters

Hey you're right, I caught you
On the phone
Thirty hours till I'm back home
Been hallucinating
Me and Sean
Time to turn his head and I'm gone
Yeah, who you running from?Someone left their haircut
On the law
Twenty hours till I'm back home
Been commiserating
Me and Sean
Man, your face is getting long
Yeah, who you running from?(Sean) x4You've been waiting in the waves
Waiting in the wavesI've been sipping poison
Just for fun
Thirteen hours till I'm back home
Been obliterated
Me and Sean
Getting good and getting gone
Yeah who you running from?(Sean) x4
