LET MY WORSHIP - Thoja (Pst. Oghenethoja Umuteme)

Lord weâ€™ve come to give you worship,
Lord - weâ€™ve come to give you praise
Thereâ€™s no one like you Lord Jesus,
Weâ€™ve come to bless your holy name
For all youâ€™ve done for us
Hallelujah

Chorus

From the deepest depth of my heart,
Iâ€™ve come to worship you,
From the purity of my soul,
I surrender all to you
From the deepest depth of my heart,
Iâ€™ve come to bless your name
From the purity of my soul,
I lift mine hands to you,

Oh my God, you're so wonderful,
You are my everything
I give my heart to you
Oh my God, you are my everything,
I give my heart
To serve you
Let my offering,
Come to you

Let my worship come to you
As a living sacrifice
Let my worship rise to you
As white as snow,
Let my worship come to you
As a living sacrifice,
Let my worship rise to you
As white as snow

Pastor worshipping

Repeat Chorus

None can take your place
(Till fade)
