For You I Will (Confidence)

Teddy Geiger

Wandering the streets in a world underneath it all
Nothing seems to be, nothing tastes as sweet as what I can't haveLike you and the way that you're twisting your hair round your finger
Tonight I'm not afraid to tell you what I feel about youOh I'm gonna muster every ounce of confidence I have
And cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I will
For you I willForgive me if I st-stutter from all of the clutter in my head
Cause I could fall asleep in those eyes like a water bedDo I seem familiar? I've crossed you in hallways a thousand times
No more camouflage, I want to be exposed and not be afraid to fallOh I'm gonna muster every ounce of confidence I have
And cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I willYou always want what you can't have
But I've got to try
I'm gonna muster every ounce of confidence I have
For you I will
For you I will
For you I will
For youIf I could dim the lights in the mall and create a mood, yeah I would
Shout out your name so it echoes in every room, yeahThat's what I'd do
That's what I'd do
To get through to you, yeahOh I'm gonna muster every ounce of confidence I have
And cannon ball into the water
I'm gonna muster every ounce of confidence I have
For you I willYou always want what you can't have
But I've got to try
I'm gonna muster every ounce of confidence I have
For you I will
For you I will
For you I will
For you I will
