

Motopony

Well, its trapped up inside you
 Theres no peace, theres no hope
 When its trapped up inside you Well, come this way
 Come this way now
 Your position is weakening
 Your position is gone Well, it doesnt even matter
 What youre thinking
 It doesnt matter at all When, its trapped up inside you
 Theres no peace, theres no hope
 When its trapped up inside you Well, come this way
 Come this way now
 Your opinions are changing
 Your opinions not sound, no It doesnt even matter
 What the truth is
 All that matter is now When, its trapped up inside you
 Theres no peace, theres no hope
 When its trapped up inside you Well, come this way
 Come this way, now
 Youre selling yourself, youre cold
 Youre selling yourself at 27 years old Well, its trapped up inside you
 Theres no peace, theres no hope
 When its trapped up inside you
 Theres no peace, theres no hope Well, come this way
 Come this way now
 Youre selling yourself, youre cold
 Youre selling yourself at 27
