Everyday Superstar

Jedward

You know what?
She's not your everyday average girl,
Listen up,
Ever since I met this girl,
Don't even watch TV,
Don't go to movies, no,
I don't even turn on the radio,
She's everything I want,
A-all rolled into one,
She's like a fantasy,
But I'm in luck
'Cause she's real to me, me, me,
Oh, yeah,
She's got,
Hips like Shakira,
Lips of Angelina,
Twisted like Gaga,
Dances like Madonna,
She got that boom, boom, like Britney,
Swagger of Beyonc
