War Paint

Ex Hex

I can see that youâ€™re different than me
There are a lot of reasons to disagree
I can tell things are changing every day
But thereâ€™s still one thing that never goes away:
You think youâ€™re too cool
You think youâ€™re too cool

So put your war paint on and dance alone in the crowd
And soon you will discover the music was just too loud

Your friends are cruel, street smart and rough
Youâ€™d tell them everything, but youâ€™re just too tough
And no oneâ€™s good enough
No oneâ€™s good enough
Donâ€™t lose your head about it, perception is a fool
Or else your mind might turn inside out on you
Good times are almost here, I can hear the sound
I got no time for cool kids cause we gotta roll on and on

Too too too too too cool
