Stupid Dream

Born Ruffians

I know this girl
She never seems to let the world
get underneath her perfect skin
I asked her once
just how she did it, she said
"when I can I clear my head
& when I can not, I mess
it up instead. It's just
a useless, stupid dream."
oh no!
I'm a formidable being!
But do I really have meaning
no, no, no
or understanding of what I
call 'myself'?
or did I forget a past life?
& figure out it's just a useless,
stupid dream
I am not the cream of the crop
oh no, destroy it.
I forget, did I misplace my head
I must remember what she said
about the way one can transcend
beyond the living dead
She said "when I can I clear
my head & when I can not
I mess it up instead it's just
a useless, stupid dream."
oh no!
I'm a formidable being!
But do I really have meaning
or understanding of what I
call 'myself'
or did I forget a past life?
& figure out it's just a useless,
stupid dream.
I am not the cream of the crop
& I am never rising up
oh no!

destroy it.
destroy it.
when I can I clear my head &
when I can not, I mess it up instead
when I can I clear my head &
when I can not, I mess it up instead
I'm a formidable being!
But do I really have meaning
oh no, no!
or understanding of what I
call 'myself'
or did I forget a past life?
& figure out it's just a useless,
stupid dream.
I am not the cream of the crop
& I am never gonna stop
if I get knocked down, better
get back up & if they say
no well then, I'll say YEP
...oh no...
destroy it.
