Big Mouth

Jibbarish

Tick tock, talk that shit nonstop
Tip toe, don't make it rock
What they say that's not enough
You long long for what your know I got
Blah Blah Blah against the wall
So pee wee, cyber tall
Ring ring ring know when duty calls
Now now not a word at all
Big mouth big mouth
Why I know you say enough
Got a big mouth, big mouth
My, my, my you said enough
Gotta big mouth big mouth
Why I know you say enough
Got a big mouth, big mouth
My, my, my you said enough
What's that you said?
So you can walk, or watch
and tear me up
So you can walk, or watch
and tear me up
What's that you said?
So you can walk, or watch
and tear me up
Oh-oh-oh-oh...
Deep down don't know what you want
dismount throw me up front
berate but got no guts
If strong strong why play debutant
Ga ga ga all slightly off
Not me I'll take the loss
See see see doesn't it payoff
I'm among the ones not lost
Big mouth big mouth
Why I know you said enough
Got a big mouth, big mouth
My, my, my you said enough
Gotta big mouth big mouth

Why I know you say enough
Got a big mouth, big mouth
My, my, my you said enough
What's that you said?
So you can walk, or watch
and tear me up
So you can walk, or watch
and tear me up
What's that you said?
So you can walk, or watch
and tear me up
Oh-oh-oh-oh...
What's that you said?
So you can walk, or watch
and tear me up
So you can walk, or watch
and tear me up
What's that you said?
So you can walk, or watch
and tear me up
Oh-oh-oh-oh...
Ring, ring, ring
Ring, ring, ring
You're everywhere I go
thinking that you know
You're everywhere I go
thinking that you know
You're everywhere I go
thinking that you know
Go on, go you, go lead 'em if you know
What's that you said?
So you can walk, or watch
and tear me up
So you can walk, or watch
and tear me up
What's that you said?
So you can walk, or watch
and tear me up
Oh-oh-oh-oh...
