Alright, Alright

Chickenfoot

one two ah one two
here we go
I don't wanna taste the taste in my mouth
And I don't want to see your face in my face
Yeah and I don't wanna ride the way you wanna drive me
Yeah yeah yeah with your 9 inch nails you're gonna crucify me
Uh huh baby, whoo
all right, all right, all right all right, all right, all right, all right
Well, well,
all right, all right, all right all right, all right, all right, all right
Don't start a brand-new fire from the mountain, whoo
Baby hold me water gonna drink it til I'm down there, uh
Well she got me runnin round with a pocket full of roses
Yeah, yeah, yeah
Check me in check me out I'd think that she'd notice
It's about time baby, come on
All right, all right, all right all right, all right, all right, all right
Yeah
All right, all right, all right all right, all right, all right, all right
Pick it up
All right, all right, all right, all right, all right, baby it's all right. Yeah.
Well, I fell in love on a Saturday night
I must of thought that .we had our first fight
It got intense but we're workin it out

I still don't need the Fangs comin outta her mouth
Uh
Yeah
?Lincoln Continental rolling down the street, eye contact lookin at you lookin at me lookin at you.
What's up baby? What's goin' on?
Hey
Alright
Come on now
Uh
Pick it up, pick it up, pick it up. Uh
All right, all right, all right all right, all right, all right, all right
Oh Yea, Baby
All right, all right, all right all right, all right, all right, all right
Sho enough give it up.

All right, all right, all right, all right, all right, baby it's all right. Yeah.
All right, all right, all right all right, all right, all right, all right
Oh, oh, oh, oh, oh, oh, yeah!
Oh, everything is all right.
Baby it's all right, no.
Outta sight, allright, come on baby, whoo, yeah, yeah, yeah.
Baby it's alright it's got to be alright, yeah it's all right whoo
Looks all right uh huh
yeah whoo hoo uh huh everything is all right ooooooow.
All right, all right, all right all right, all right, all right, all right.
