White Rabbits

Say you like
Calm down that politely asking you moon
.your side
.finger it's trapped round you
Hhm darling
Just tell what you need
I say i don't care if you do
You can fall fighting you
Darling don't know how
So come alone
Come alone there's no heart passing through and .now
I don't like collect who's collecting you
Well i know

It's coming after me
Where's surrounded by .telling you
You're looking for a .
Darling i don't know how
You and thoughts i'm waiting in the.and i don't know how
You.i'm waiting around and don't know how
Darling i don't know how
You and thoughts i'm waiting in the.and i don't know how
You still believe...
I'm waiting around and don't know how
You still believe...
I'm waiting around and don't know how
