Home
What is home?
Pack your possesions and leave us alone
Forget your colour and creed
Your sexuality embarrassed us all
Take off your Asian tag and hit the road
The word is why I need a God
I need a God to impress
Get off my soul
So many nerds have we found them all
C-A-F-F-E-I-N-E

Caffeine
I don't want to find a new home

CaffeineThey would prefer it if you lived off drugs
It's not a curable disease
Your sexuality confounded their world
Take off you Asian tag and hit the road
The word is why I need a God
I need a God to impress
Get off my soul
So many nerds have we found them allC-A-F-F-E-I-N-E

I don't want to find a new home

CaffeineWhat is home where is home what is
Home
I don't know why I need a God
I need a God to impress
Confused my soul

So many words do we need them all
