

Almost Blue

Diana Krall

Almost blue

Almost doin' things we used to do

There's a boy here and he's almost you Almost all the things that your eyes once promised

I see in his too, now your eyes are red from crying

Almost blue Flirting with this disaster became me

It named me as the fool who only aimed to be Almost blue

It's almost touching it will almost do

There's a part of me that's always true, always Not all good things come to an end now, it is only a chosen few

I've seen such an unhappy couple

Almost me, almost you, almost blue
