

# About a Girl

## The Academy Is...

One song about a girl, can't breathe when I'm around her  
I wait here everyday in case she scratch the surface  
She'll never notice I'm not in love, this is not my heart  
I'm not gonna waste these words about a girl Last night I knew what to say but you weren't there to hear it  
These lines so well rehearsed, tongue-tied and overloaded  
You never notice I'm not in love, this is not my heart  
I'm not gonna waste these words about a girl I'm not in love, this is not your song  
I'm not gonna waste these words about a girl To be loved, to be loved, what more could you ask for?  
To be loved, to be loved, everyone wants  
To be loved, to be loved, what more could you ask for?  
To be loved, to be loved, everyone I'm not in love, this is not my heart  
I'm not gonna waste these words I'm not in love, this is not my heart  
I'm not gonna waste these words about a girl I'm not in love  
(To be loved, to be loved, what more could you ask for?)  
This is not your song  
(To be loved, to be loved, everyone wants)  
I'm not gonna waste these words about a girl  
(To be loved, to be loved)
