Sweet 'n' Sassy

i5

I am all girl in this boy's world
But that's okay
'Cause I don't think of it
In those termsI just give them mine
Don't even think them twice
When it comes to what I do
I make my moves rightAnd even though sometimes
I may seem kinda shy
Don't let this impose
Might feel like I don't care whyI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe
I'm in control of my destinyI just keep it real
I always know the deal
No matter what they say
It don't affect the way I feelI see nothing wrong
With having a little fun
When I want someone
Don't hesitate to turn him onThat's just the way I am
Most people don't understand
Secretly they wish
They could be just like meI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe
I'm in control of my destinyI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe
I'm in control of my destinySweet n' sassy, you see
No gravity or anybody
Will hold me back from what I truly believe
There's no stopping meI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe
I'm in control of my destinyI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe
I'm in control of my destinyI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe

I'm in control of my destinyI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe
I'm in control of my destinyI'm a sweet n' sassy girl
I've got what it takes to change the world
Holding on to what I believe
I'm in control of my destiny
I'm a sweet and sassy girl
I've got what it takes to change the world
