

Celebrate

Java Gospel

Hosanna in the highest
You are worthy to be praised
Blessed is he who comes
in the name of the Lord
Hosanna, oh Hosanna

Hosanna in the highest
By your wounds you're healed us all
You've carried our sorrow,
you're taken the pain away

Ref:

Celebrate, we've got reason to shout!
Celebrate, He brings darkness to light
Celebrate, our savior is here
Celebrate by his mercy we've got nothing to fear

Celebrate We've got reason to dance
Celebrate lift your voice, clap your hands
Celebrate, He is larger than life
Celebrate, Celebrate, we've got reason to celebrate

Hosanna in the highest
You are worthy to be praised
Blessed is he who comes
in the name of the Lord
Hosanna, oh Hosanna

Hosanna in the highest
By your wounds you're healed us all
You've carried our sorrow,
you're taken the pain away

Vamp

We've got reason to celebrate
It's our season to celebrate
