Cold Coffee

Ed Sheeran

She's like cold coffee in the morning
I'm drunk off last night's whiskey and coke
She'll make me shiver without warning
And make me laugh as if I'm in on the joke
And you can stay with me forever
Or you could stay with me for now
Tell me if I'm wrong, tell me if I'm right
Tell me if you need a loving hand
To help you fall asleep tonight
Tell me if I know, tell me if I do
Tell me how to fall in love the way you want me to
I'll wake with coffee in the morning
But she prefers two lumps of sugar and tea
Outside the day is up and calling
But I don't have to be so, please go back to sleep
Stay with me forever
Or you could stay with me for now
Tell me if I'm wrong, tell me if I'm right
Tell me if you need a loving hand
To help you fall asleep tonight
Tell me if I know, tell me if I do
Tell me how to fall in love the way you want me to
'Cause I love the way you wake me up
For goodness sake will my love not be enough?
Tell me if I'm wrong, tell me if I'm right
Tell me if you need a loving hand
To help you fall asleep tonight
Tell me if I know, tell me if I do
Tell me how to fall in love the way you want me to
Tell me if I'm wrong, tell me if I'm right
Tell me if you need a loving hand
To help you fall asleep tonight
