

# Stop Your Crying

## Sleeper

This man lives in the ocean  
He puts his favorite clothes on  
And drifts away day after day  
And you can't hear me call  
This man needs a direction  
You want my blind affection  
And I'm not sorry that I came  
I stayed too long that's all  
And you're a bad habit  
Glad of it  
I'm not so sure I can help you  
Sad for it  
Thanks for it  
I'm not so sure I can make you  
Stop your crying it's not helping  
Stop your crying it's no help  
Did you still think that my love  
Could make you special  
Pulled me in on a high tide  
How well you hid your flipside  
It won't do to comfort you  
Each time you cough or call  
You think I wanted to use you  
Complex issues just confuse you  
You don't care you're unaware  
How far these things can fall
