

# High 5

## Calibretto 13

You go right, I'll go left  
Sometimes we don't agree  
But that's okay 'cuz in the end  
We're still brothers, you and me We'll go to Steak 'N' Shake sometimes  
'Cuz we hang out every night  
And we do the same ol' thing  
Sometimes we fool around too much  
'Cuz we are a frisky bunch We get in trouble everyday  
Hey! Ho! Straight through the heart  
I'm for you and I know you're there for me  
Give me a high 5! Hey! Ho! Friends till the end  
Can't you see that's the way it's got to be?  
You're the money and the bomb  
But I talk about your mom  
Even though it isn't right Go to Mikey's, play some games  
Stay up till the break of day  
Maybe get into a fight  
Even though we're hittin' 20 And we haven't yet matured  
You know I think it's kinda funny  
That we're all a bunch of nerds  
Can't you see God has destined us to be?
