

# Things Of This World

## Dc Talk

Seventy years is all we got  
To accumulate goods that seem to mean a lot  
For the first twenty years, you're off to school  
    Learnin' principles and learnin' the tools  
    To make lots of money, the ultimate goal  
    Gain the whole world and yet lose ya soul  
    Huh, humanism is on a roll  
Twenty gets the the knowledge, thirty years to apply  
    And just twenty years left for askin' why  
    I didn't realize what it was all about  
And, was there any use in this rigorous rout because  
    Things of this world are passin' away  
    Here tomorrow, but they're sure not here to stay  
    Things of this world are passin' away  
    So lay your treasure above  
    And start to live for Him today  
    All done for self in this world will pass  
And all done for Christ in this world will last  
    Sounds like a simple task  
    But everyday life seems to get in the way  
    No time to serve, barely time to pray  
    Our focal points lost and we get tossed  
    In the wind, cold facin' the cost  
Of fallin' without stallin' or even callin' the Lord  
    While you were blackballin'  
    He was waitin' for you to see the light  
    And find for yourself, these things are trite  
    Things of this world are passin' away  
    Here tomorrow, but they're sure not here to stay  
    Things of this world are passin' away  
    So lay your treasure above  
    And start to live for Him today  
    Our mind transforms a want to a need  
    A simple process that we call greed  
    Ya say ya like to have money, well I do too  
    The problem starts when the money has you  
    Workin' overtime to keep up with the pace  
    A lifestyle that you want to embrace  
But it's two steps from where your needs are met

You're keepin' up with the Jones', but your all in debt

Which will lead to stress, not meeting the bills

While ya sportin' a Benz with all the thrills

The domino effect's gotcha life in check

A temporary stitch and ya livin' a wreck

Things of this world are passin' away

Here tomorrow, but they're sure not here to stay

Things of this world are passin' away

So lay your treasure above

And start to live for Him today

Things of this world are passin' away

Here tomorrow, but they're sure not here to stay

Things of this world are passin' away

So lay your treasure above

And start to live for Him today

Things of this world are passin' away

Here tomorrow, but they're sure not here to stay

Things of this world, the things of this world

The things, the things, the things of this world

Don't lay up your treasures upon this Earth

They'll soon pass away and all return to dirt

Don't lay up your treasures upon this Earth

They'll soon pass away and all return to dirt

Don't lay up your treasures upon this Earth

They'll soon pass away and all return to dirt
