

Where I Belong (Hot Chip Remix)

[Sia](#)

Without truth
We lose
Yet we want to spare the feelings of those we love
Don't cry
We've all lied
But there is always room for forgiveness my friend[Chorus]
So don't treat me bad just be glad I am strong
I know where I belong
And soon you will see we are blessed and complete
There's a place here for you with me Shine
You're fine
See I will always have a smile for you my love
And still
We will
Be ok and along the way we'll learn a thing or two[Chorus: x7]
