

# Love Lockdown

## Glass Animals

I'm not loving you, the way I wanted to  
What I had to do, had to run from you  
I'm in love with you but the vibe is wrong  
And that haunted me, all the way home  
So you never know, never never know,  
Never know enough, 'til it's over love  
'Til we lose control, system overload  
Screamin' "No! No! No! N-No!"

I'm not loving you, the way I wanted to  
See I wanna move, but can't escape from you  
So I keep it low, keep a secret code  
So everybody else don't have to know  
So keep your love locked down  
Your love locked down  
Keepin' your love locked down  
Your love locked down  
Now keep your love locked down  
Your love locked down  
Now keep your love locked down

You lose I'm not lovin' you the way I wanted to  
I can't keep my cool, so I keep it true  
I got somethin to lose, so I gotta move  
I can't keep myself, and still keep you too  
So I keep in mind, when I'm on my own  
Somewhere far from home, in the danger zone  
How many times did I tell ya fo it finally got through  
You lose, you lose

I'm not lovin' you, the way I wanted to  
See I had to go, see I had to move  
No more wastin' time, you can't wait for life  
We're just wastin' time, where's the finish line  
So keep your love locked down  
Your love locked down  
Keepin' your love locked down  
Your love locked down  
Now keep your love locked down  
Your love locked down  
Now keep your love locked down  
You lose
