

Getaway Driver

Miranda Lambert

When she's feeling reckless
Tangled in her messes
Wild eyes lookin' for a chase
There's nothing white lines can't erase So I keep the engine running
She'll be my gasoline
She treats my heart like a stolen car
All the while she had the keys
Standing in the line of fire
I'll be standing right beside her
I'm her getaway driver
Her getaway driver Miles were the only thing that saved us
Headlights were our only traces
No rearview mirrors, no looking back
Desert horizon as our map So I keep the engine running
She'll be my gasoline
She treats my heart like a stolen car
All the while she had the keys
Standing in the line of fire
I'll be right beside her
I'm her getaway driver
Her getaway driver
